

CORONADO CHILDREN'S CENTER

"Where Children Come First"

APRIL 05 NEWSLETTER

The temperature is finally warming up, and we are all welcoming the chance to play and learn outdoors. We have several events that I want to remind you of:

Summer tuition fee (5 & older) \$95.00 per week
Parent teacher conferences -- April 18th – April 22nd
Speech, hearing, Sight screenings---- April 18 & 19th
(Three-year olds and older)

Welcome to our new employee Mr. A. Fifteen years ago Mr. A was a student at Coronado Children's Center. I think somebody is getting old.

We are saddened by the recent death of the Pope. One of our students noticed that the flag was flying at half mast, and wanted to know if the flag would

fly at half mast when Mr. Ron dies! Thanks Skylar!

BABY ROOM

April really came in with a bang! We have had snow, rain and sleet. Hopefully the weather will get better. We want to wish Mariah a Happy Birthday this month! She will be turning one year old, and we want to wish Ron & Heidi a good anniversary.

-Ms Becky & Ms Diana

POOH BEARS (One-year olds)

It's April which means it's getting really warm, so please remember to bring sun block. We would like to welcome Alexandria Sandoval & Diego Molina to our class. In April, we will learn about insects and baby animals.

- Ms Molly

TEDDY BEARS (Two-year olds)

Happy spring! We welcome the warmer weather because we love to play outside in the nice fresh air. We would like to take this time to remind parents to bring sunscreen and appropriate jackets and clothing.

We would like to give a big warm welcome to our newest Teddy Bears: Melanie Roberts and Sarah Schuman. We are enjoying them in our classroom. They both are doing great potty training along with Ziggy Romero and Lance Langowski. Let's give them a high five!

This month our colors are red and yellow. We will continue with the alphabet working with letters "N and O".

Ms. Jana & Mr. A

HONEY BEARS (Three-year olds)

We have really been enjoying the warm spring afternoons and the wonderful sunshine. But we want to remind parents to dress their little ones in layers so that jackets and sweatshirts can be removed as the daytime temperatures rise. We also want to protect the children from the sun. If you have not brought sunscreen for your child, please do so, and we will apply it before going outdoors. You will also need to sign a permission form so that we may apply the sunscreen to your child.

Our class welcomes Bobby Najera-Miller who has joined us from the 2-year olds class. We also wish a Happy April Birthday to Hector, Christopher, and Nevaeh!

-Ms Vicky & Ms Barbara

PANDA/GRIZZLY BEARS

Spring is finally here. We are very excited. Please remember that it's still a little cold in the morning so our Pandas need to dress in layers. This week we are doing the last letter of the alphabet. April 25th to May 20th, we will be reviewing everything we have learned this year. The children cannot wait until the field trips start and neither can we! It's going to be a fun and exciting summer!

Ms J & Ms R
